S.P.A.R.K.S. CLUB - STUDENT PILOT RELEASE FORM

This bottom portion must be signed and dated by the student pilot prior to flight instruction at SPARKS Field. The Club's (C.F.I.) Chief Flight Instructor will retain this signed lower portion.

S.P.A.R.K.S. Club Instructors have demonstrated advanced R/C Pilot skills and are willing to share those skills with people interested in learning to fly R/C aircraft. At all times, the instructors will make every effort to safeguard the student's aircraft, however it is understood that any damage to the student's aircraft and any damage caused by the student's aircraft will be the sole responsibility of the student.

I have read and understand the above statement
