

SPARKS R\C Model Aircraft Club

Open House - Public Welcome

Saturday, May 25, 2019: 8:00am 'til noon (*weather permitting*)

This event will introduce you to the hobby of radio control aircraft and provide an opportunity to:

- Meet Club members
 - Have your questions answered
 - See flight demonstrations of various aircraft types: jets (electric and turbine), propeller-driven planes, helicopters and multi-rotor drones
 - See electric, gas, nitro (glow), and turbine models up close
 - Try a realistic, computer-based flight simulator
 - Fly a trainer plane, with an instructor pilot at your side, using a buddy box system
 - Obtain information about the Club and how to become a member, as well as information about the Academy of Model Aeronautics (AMA), which is the governing body of this hobby.
-
- Hotdogs, hamburgers, chips and drinks will be available for \$5, to cover costs
 - Ice cream sandwiches and drumstick-type cones also available for \$1
 - There will be a candy drop from a drone for the kids in attendance

Field Address:

10550 Daisy St. N. St. Petersburg 33716 (Toy Town Landfill)

From Roosevelt Blvd, turn S onto 16th St N, Turn right, after the Fire Station (SPARKS Sign)
